AMENDMENT

Dear Sir:

Applicant makes this submission in response to the Office action dated August 9, 2006 for the above noted application.

Amendments to the Specification begin on page 2 of this paper and include both a replacement specification and an original specification with underline/strikeout markings.

Remarks begin on page 3 of this paper.

An **Appendix A** provides a replacement specification and is attached following page 3 of this paper.

An **Appendix B** provides a mark up of the original specification with amendments indicated by underlining and strikeouts and is attached following Appendix A of this paper.
